

## Natrona County Conservation District Conservation Seedling Tree & Shrub Program

### Basic Tree Information:

- ~ Bare-root seedlings are sold in **bundles of 10 or 25**, dependent upon size. Seedlings are sold **ONLY** in the bundle sizes indicated on the order form.
  - **CG (Conservation Grade)** 10-24" and first year growth, sold in **bundles of 25**
  - **2-3'** 2<sup>nd</sup> year growth, 24"+, sold in **bundles of 25**
  - **3'+** 2<sup>nd</sup> or 3<sup>rd</sup> year growth dependent upon species, sold in **bundles of 10** – will include trees from 3' to 6'
  - **Potted species** are sold individually
- ~ There is an abundance of information on tree selection on the internet and on our website, [www.nccdwyoming.com](http://www.nccdwyoming.com).
- ~ Every species will not grow in every location! While all species offered are winter hardy, plant growth and survival depend upon proper planting location, care, protection, soil-type, water availability and weather conditions. Plan ahead – research species, soils, verify water availability, provide protection from wildlife or livestock, and prepare for extra care during the first few years of growth, particularly in extreme weather conditions.

### Ordering Information:

- ~ **ORDER EARLY.** Can't emphasize enough! **Orders will be taken thru April 10, 2021, but selection changes daily.**
- ~ Prices listed include freight and sales tax. No additional costs! Trees will be delivered to Casper, for pick up in Casper.  
**The NCCD cannot ship trees.**
- ~ Three ways to order:
  - Email - [lisa.ogden@wy.nacdnet.net](mailto:lisa.ogden@wy.nacdnet.net). If you order via email, list the quantity, size, and name of trees that you want, as well as all the necessary contact information that is on the top of the order form. **Please include if you accept texts or not.** This information is **only** used for tree-oriented communication.
  - Mail – NCCD, 5880 Enterprise Drive, Suite 100, Casper, WY 82609
  - Phone - 307-261-5436, ext. 4

### Payment Information:

- ~ Availability of tree stock changes rapidly as species sell out at the nursery, so NCCD utilizes the following policy:
  - **After confirmation of tree availability**, an invoice will be emailed or mailed with the total amount due. If stock is sold out on an item ordered, I will call or email you with options.
  - **Full payment is due by April 10, 2021.**
  - **If order is over \$400, a deposit of 50% is required by NCCD before ordering from the nursery, with the balance due within thirty days after receipt of invoice.**
- ~ Checks can be mailed to the above address, or credit card can be taken over the phone. An invoice can also be emailed through PayPal if you would prefer to pay by credit card online. Since the NRCS office is still closed to the public, please do not come to the office at this time.

### Tree Arrival:

- ~ Seedling trees will arrive in May of 2021. You will be updated as to the details as the time approaches.

~ Lisa Ogden, District Manager, 307-261-5436, ext. 4
