

## Natrona County Conservation District Conservation Seedling Tree & Shrub Program

### Basic Tree Information:

- ~ Bare-root (non-potted) seedlings are sold in bundles of 10 or 25, dependent upon size. Seedlings are sold ONLY in the bundle sizes indicated on the order form. Bundles will not be split.
  - **CG (Conservation Grade)** 10-24" and first year growth, sold in **bundles of 25**
  - **2-3'** 2<sup>nd</sup> year growth, 24"+, sold in **bundles of 25**
  - **3'+** 2<sup>nd</sup> or 3<sup>rd</sup> year growth dependent upon species, sold in **bundles of 10** – will include trees from 3' to 5'
  - **No potted species** are available for 2022.
- ~ There is an abundance of information on tree selection on the internet and on our website, [www.nccdwyoming.com](http://www.nccdwyoming.com).
- ~ Every species will not grow in every location! While all species offered are winter hardy, plant growth and survival depend upon proper planting location, care, protection, soil-type, water availability and weather conditions. Plan ahead – research species, soils, verify water availability, provide protection from wildlife or livestock, and prepare for extra care during the first few years of growth, particularly in extreme weather conditions.

### Ordering Information:

- ~ **ORDER EARLY.** Can't emphasize enough! **Orders will be taken thru April 15, 2022, but selection changes daily.**
- ~ Please check the website for the most up to date order forms as stock is sold out.
- ~ Prices listed include freight and sales tax. No additional costs! Trees will be delivered to Casper, for pick up in Casper. The NCCD cannot ship trees.
- ~ There are three ways to order:
  - **Email (preferred method - best paper trail)** - [lisa.ogden@wy.nacdnet.net](mailto:lisa.ogden@wy.nacdnet.net) If you order via email, list the quantity, size and name of the trees that you want, as well as all the necessary contact information that is on the top of the order form. Please include if you accept texts or not. This information is only used for tree-oriented communication.
  - **Phone** - 307-261-5436, ext. 4
  - **Mail (least preferred method - have had orders lost)** – NCCD, 5880 Enterprise Drive, Suite 100, Casper, WY 82609

### Payment Information:

- ~ Availability of tree stock changes rapidly as species sell out at the nursery, so NCCD utilizes the following policy:
  - **After confirmation of tree availability**, an invoice will be emailed or mailed with the total amount due. If stock is sold out on an item ordered, I will call or email you with options.
  - **Full payment is due on receipt of invoice or latest of April 15, 2022.**
  - **If order is over \$400, a deposit of 50% is required by NCCD before ordering from the nursery, with the balance due within thirty days after receipt of invoice.**
- ~ Checks can be mailed to the above address, or credit card can be taken over the phone. An invoice can also be emailed through PayPal if you would prefer to pay by credit card online. The NRCS office is still closed to the public, so I cannot meet with people in the office at this time.

### Tree Arrival:

- ~ Seedling trees will arrive in May of 2022. You will be updated as to the details as the time approaches.
