

Natrona County Conservation District Conservation Seedling Tree & Shrub Program

Basic Tree Information:

- ~ Bare-root (non-potted) seedlings are sold in bundles of 10 or 25, dependent upon size. Seedlings are sold ONLY in the bundle sizes indicated on the order form. Bundles will not be split.
 - **10-24"** (previously **CG - Conservation Grade**) 1st year growth, sold in **bundles of 25**
 - **2-3'** 2nd year growth, sold in **bundles of 25**
 - **3'+** 2nd or 3rd year growth dependent upon species, sold in **bundles of 10** – will include trees from 3' to 5'
- ~ There is an abundance of information on tree selection on the internet and on our website, www.nccdwyoming.com.
- ~ Every species will not grow in every location! While all species offered are winter hardy, plant growth and survival depend upon proper planting location, care, protection, soil-type, water availability and weather conditions. Plan ahead – research species, soils, verify water availability and quality, provide protection from wildlife or livestock, and prepare for extra care during the first few years of growth, particularly in extreme weather conditions.

Ordering Information:

- ~ **ORDER EARLY.** Can't emphasize enough! **Orders will be taken thru April 12, 2024, pending availability.** The nurseries reserve the right to cancel all or any portion of orders due to any reason out of their control.
- ~ Please check the website, www.nccdwyoming.com for the most up to date order form.
- ~ Prices listed include freight and sales tax. No additional costs! Trees will be delivered to Casper, for pick up in Casper. The NCCD cannot ship trees.
- ~ There are three ways to order:
 - **Email (preferred method - best paper trail)** - lisa.ogden@wy.nacdnet.net If you order via email, list the quantity, size and name of the trees that you want, as well as all the necessary contact information that is on the top of the order form. Please include if you accept texts or not. This information is only used for tree-oriented communication. **If you do not receive an order confirmation within five business days, please call the number below to ensure receipt of your order.**
 - **Phone** - 307-261-5436, ext. 4
 - **Mail** – NCCD, 5880 Enterprise Drive, Suite 100, Casper, WY 82609

Payment Information:

- ~ Availability of tree stock changes rapidly as species sell out at the nursery, so NCCD utilizes the following policy:
 - **After confirmation of tree availability**, an invoice will be emailed or mailed with the total amount due. If stock is sold out on an item ordered, you will receive a call or an email with options.
 - **Full payment is due on receipt of invoice or latest of April 30, 2024.**
 - **If order is over \$400**, a deposit of 50% is required by NCCD before ordering from the nursery, with the balance due latest of April 30, 2024.
 - **If ordering from out of state**, order must be paid in full prior to NCCD ordering from the nursery.
 - If the nursery removes a species after you have paid for your order, you can change for a different species or receive a refund.
- ~ Checks can be mailed to the above address, or credit card can be taken over the phone. An invoice can also be emailed through PayPal if you would prefer to pay by credit card online. If you prefer to pay in person, please call the number below to ensure I am in the office before coming.

Tree Arrival:

- ~ Seedling trees will arrive early in May of 2024. You will be updated as to the details as the time approaches.
