*Prepared in compliance with the Uniform Municipal Fiscal Procedures Act (W.S. 16-4-101 through 124) as it applies.*

*Form approved by Wyoming Department of Audit, Public Funds Division*

BUDGET MESSAGE  
Natrona County Conservation District  
FY2017

Revenues and expenditures have increased throughout the last several years due to grant awards through the Wyoming Department of Agriculture, as well as the Wyoming Department of Environmental Quality through their Non-Point Source 319 Task Force. These funds have been utilized primarily for implementing on-the-ground projects for the purpose of increasing water quality and decreasing water usage by installing pipeline and irrigation structures on both private and county land. Other grant funds are utilized for continued water quality sampling within the Middle North Platte River Watershed. The data received through this sampling has been invaluable to the City, County and State in regards to the potential de-listing of the North Platte River from the Wyoming Department of Environmental Quality's Impaired Waters 303(d) List.

Additional Selenium Project Funding was received in FY2015, and will be received in FY2016, FY2017, and FY2018 from Natrona County and the City of Casper to assist with the implementation of selenium-reducing projects. These projects benefit both the urban and the rural community, as the transportation of the US EPA priority pollutant, selenium, is minimized throughout the watershed by implementing Best Management Practices on irrigated acreage west of Casper, improving water quality for both wildlife and people alike. The NCCD intends to continue seeking out and applying for grants that will provide funding to continue these activities.

The base operating funds that are received annually from both the City of Casper and Natrona County provide for the cash match moneys that are necessary to obtain present and future grants through both state and federal entities, thus furthering the implementation of on-the-ground projects. Without these contributions, the NCCD would be unable to provide the public services that we now provide, and would also lose the ability to obtain grant funds to implement water quality projects.

Cash & Investments Page Further Explanation:

C2.1 - Awaiting payables from WDEQ in amount of \$11,892.00 for reimbursement of grant expenditures in FY2016 but to be received in FY2017 - listed as income for FY2017 in Revenue R5.2.

C3.1 - Depreciation Reserve - Account balance FYE16 \$12,500, to add \$2,500 in FY2017 for total of \$15,000 for vehicle or other capital replacement necessary.

C4.3 - Restricted Reserves - City of Casper Base Funds Support (\$35,000), will be paid in FY2017, to be rolled over to FY2018.

C4.7 - Restricted Reserves - Prepaid Wyo Dept of Ag (WDA) Grant funding paid in FY2016, to be utilized for water quality monitoring in the Middle North Platte Watershed for FY16 - FY17. The amount of \$23,436 rolled from FY16 to FY17, projected to be utilized in FY17.

C4.9 - Restricted Reserves - Prepaid Funding from City of Casper for Operational Base funding - Received in FY16 to be utilized for operational costs and cash match for grants in FY17 (\$35,000). Also, \$95,000 Prepaid funding from City of Casper and Natrona County for Selenium Projects within the Kendrick Watershed, to be utilized for water quality projects (and cash match for grants) to reduce the amount of selenium transported into the North Platte River.

BUDGET MESSAGE  
Natrona County Conservation District  
FY2017

C5.1 - Emergency Reserves - Account balance FYE16 \$25,000. To add \$25,000 in FY2017 to cover emergency conservation efforts and/or to cover operating expenses for the district for a period of approximately one year in the event of decreased base funding. This would ensure the ability to conclude current grants, continue supporting the public for a one year period, and seek out any additional funding for the continuation of the Natrona County Conservation District.

The NCCD is managed by a District Manager, and supervised by a publically elected Board of Supervisors. The Board of Supervisors is responsible for the proper management of all revenues of the District, and provides oversight on all projects that are implemented with funds from federal and state grants, as well as local support from both the City of Casper and Natrona County.
